Sorry Sonja. I was in court. This case is a mess right now. Def. hired a 2nd attorney and has rejected our offer. I received your notes and will provide. Defense attorney is arguing that it might be a mistake since you found ketamine in addition to heroin. Is ketamine something often found with heroin??? Thanks.

Hi Maida-

I already have my notes/data/etc. pulled as I wanted to be prepared in case it did go to trial last week, so I can fax you a copy within the hour. Superior Court's fax number is 413-781-4745, right?

Sonja,

Def. counsel has requested your entire file. Notes, tests, etc.... Can you provide this? How long will it take. Test resulted in Heroin and Ketamine, both class A. And new def. attorney is questioning the result and how it was reached. Thanks.

Hi Maida-

Here's my schedule through June:

5/21/2012	New Bedford District
5/21/2012	Springfield District
5/22/2012	Springfield District
5/23/2012	Springfield District
5/23/2012	Westfield District
5/24/2012	Northampton District

5/29/2012	Pittsfield District
6/5/2012	Pittsfield District
6/6/2012	Springfield District
6/14/2012	Springfield District
6/19/2012	Pittsfield District
6/20/2012	Pittsfield District
6/20/2012	Springfield District
6/20/2012	Springfield District
6/21/2012	Springfield District
6/26/2012	Pittsfield District (most likely a plea)
6/26/2012	Springfield District
6/26/2012	Springfield District

Obviously, if I only have Springfield there would be absolutely no problem. Also, and I hate to not have exact dates yet, but I am planning on taking a week off between now and the end of June. It's looking like it will be either the Memorial Day week (May 28 -> June 1) or June 11 -> 15th as I am waiting to hear back from a couple ADA's about a single case I have scheduled each week. If you have a feeling that the case will go one of these weeks, let me know and I can try to plan accordingly.

Hi Sonja. [REDACTED] is a case from Agawam. Cert numbers are [REDACTED] Set for trial May 21. Likely won't start that day, but should start shortly thereafter if it is a trial. Chances are high it will be a resolution though. Any issues with your schedule for end of May through June? Thanks.
